

summary

I am a web developer with strong expertise in HTML, CSS, and JavaScript. I have a passion for creating responsive, user-friendly websites and web applications, blending technical functionality with visually appealing design. Skilled in using frameworks like Bootstrap and Flexbox to enhance site responsiveness. Adept at problem-solving, debugging, and working with Git for version control. Eager to contribute to innovative projects and grow in a collaborative, fast-paced development environment.

My Skills

- **Web Development:** HTML, CSS, JavaScript, responsive design
- **Frameworks:** Bootstrap, Flexbox, and experience with JavaScript libraries like React
- **Version Control:** Git, GitHub
- **Tools:** Figma for web design, basic knowledge of SQL databases
